A family run business with over 20 years of industry experience. At the head of the company is John who is a professionally trained croupier who has spent the last 20 years working for some of the leading casinos in and around the Birmingham area. John's Partner Sonya and their oldest son Callum are also key players within the team and both have hands on experience in the casino industry.

With their combined knowledge and expertise you can rest assured that you will receive a professional service and a thrilling experience for all your guests. John and the team will not only ensure that all of your guests have an amazing time but they are also on hand at all times to explain the rules of each game and the tricks of the trade so even if you start the night as a novice you will be ending the night feeling like a pro within the casino world.

Black Country Fun Casino has professional grade casino tables that can be hired and set up at your event location. There are Blackjack, Roulette and Poker tables available for hire each of which will be staffed by a professional croupier for the duration of the event. Everything required for your event will also be supplied including equipment, fun money and chips. Events can be tailored to your specification and to fit in alongside themes or special occasions.

WHY

hire a mobile casino package for your event?

If you are looking to provide your guests with an action packed and fun filled event then look no further than fun casino hire. This type of entertainment will really give your event that wow factor. A casino hire event can include Blackjack tables, Roulette tables, Poker Tables or a mixture of all three. Your guests will play with fun money so there is absolutely no risk involved. All tables for hire are professional grade casino tables and will be staffed by the fully trained croupiers from Black Country Fun Casino team.

Casino hire packages are ideal for the following types of events: Wedding Celebrations, Engagement Parties, Birthday Celebrations, Hen Parties, Stag Dos, Corporate Events, Charity Functions, Themed Party Nights, Christmas Parties and New Year's Eve Celebrations.

How mobile casino hire works:

- We will arrive at your location or event in advance in order to set up the tables
- We will provide the fun money and chips that will be used in all of the games on the night
- Your guests will buy chips at the tables with their fun money just like at a real casino
- Your guests will have the freedom to move around the different tables and partake in all games
- Detailed tuition will be provided by our Croupiers so that all guests feel comfortable and understand the rules of the games
- Fun money can be customised for your event or theme and you can also choose to include a prize for the person with the most chips left at the end of the night.

PREVIOUS EVENTS

We recently took part in the WCBA Peaky Blinders charity boxing night at the Guildhall in Worcester in aid of Birmingham Children's Hospital. We provided the event with 1920's style casino games and donned our finest Peaky Blinders attire for an exciting evening of boxing and gambling.

At Black Country Fun Casino we are more than happy to provide a full service to suit your event, this will include everything from personalised fun money to our croupiers and staff dressing up to blend in with your setting.
